

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. The Ohio Library Association was organized in Columbus February 27, 1895, with a membership of 33. Its growth has been steady until it now has a membership of 350. The aims of the Association are to procure favorable library legislation, to encourage the establishment of new libraries, to increase the usefulness of those already established, to interest trustees in library matters, and to bring active librarians in touch with one another to make possible a comparison of methods.

The yearly meetings are attended by library workers from all parts of the state, and the programs are of interest from many points of view. Besides papers and discussions on general subjects, matters more in detail are presented in the section meetings. This year's meeting will be with the Public Library at Findlay, Ohio, May 24, 25, 26 and 27. Special arrangements have been made with speakers of national reputation to be present at this meeting. Plan to attend.

I.—NAME

This organization shall be known as the Ohio Library Association.

II.—OBJECT

Its object shall be to promote fraternal relations among librarians and those interested in library work, to encourage the establishment of new libraries in every locality, and to increase the usefulness of those already established.

III.—MEMBERSHIP

(a) **Active Membership.**—Any person officially connected as trustee, librarian, or assistant, with any public, college, or other library of the state, or any persons actively interested in library work, shall, upon payment of annual fee of fifty cents, be entitled to active membership in the Association, with right to vote.

(b) **Club Membership.**—Any federated woman's club of the State shall, upon payment of annual fee of fifty cents, be entitled to name from its number one delegate, who shall have all privileges of active membership and be entitled to one vote.

(c) **Associate Membership.**—Any person not officially connected with any library may become an associate member by paying an annual fee of fifty cents, but shall not be entitled to vote.

(d) **Active-Associate Membership.**—Any active member of the Association may, on payment of one dollar in addition to the regular fee, become an active-associate member.

(e) **Library Membership.**—Any public, college or other library may, on payment of two dollars annual fee, become a member of the Association and be entitled to send delegate with full powers of active membership.

V.- EXECUTIVE BOARD

The officers of the Association, together with those members of the Association who during the three preceding years, held the

President, shall constitute the Executive Board. It shall be the duty of the Board to prepare questions for discussion at the annual meeting; to consider and mature plans for the general work of the same; to approve all expenditures before payment by the Treasurer, and to transact all business of the Association in the interval between its meetings.

VI.—MEETINGS

There shall be an annual meeting at a place as may have been decided upon by the Association, the time of which shall be determined by the Association, or by the Executive Board. CONSTITUTION

I. — Name

This organization shall be known as the Ohio Library Association.

II. — Object

Its object shall be to encourage the establishment and maintenance and to increase the usefulness of libraries in the state, to promote fraternal relations among library workers, and to advance the interests of the library profession.

III. — Membership

(a) **Active Membership.** — Any person who is or has been officially connected with any library of the state may, upon payment of an annual fee of fifty cents, be entitled to active membership in the Association, with right to vote.

(b) **Life Membership.** — Any active membership may be made a life membership, exempt from annual dues, on payment of ten dollars.

(c) **Associate Membership.** — Any person actively interested in educational or social work, or in library work outside the state, may become an associate member by paying an annual fee of fifty cents, but shall not be entitled to vote.

(d) **Library and Club Membership.** — Any library, club or other educational association in the state may become a member by payment of fifty cents, and be entitled to send a delegate with full powers of active membership.

(e) **Sustaining Membership.** — Any member of the Association may, upon payment of one dollar per annum in addition to the regular fee, become a sustaining member.

IV. — Officers

The officers shall consist of a President, three Vice-Presidents, a Secretary, and a Treasurer, to be elected by ballot at the annual meeting. The duties of these officers shall be such as usually devolve upon them in similar organizations.

V. — Executive Board

The officers of the Association, together with those members of the Association who have, during the three preceding years, held the office of President, shall constitute the Executive Board. It shall be the duty of the Board to prepare questions for discussion at the annual meeting; to consider and mature plans for the general work of the same, and to transact all business of the Association in the interval between its meetings.

VI. — Meetings

There shall be an annual meeting of the Association at such place and time as shall have been decided upon by the Executive Board. Special meetings may be called by the President at the request of ten members, providing one month's previous notice be duly given to the Association, and only business mentioned in the call be transacted.

VII. — Quorum

Ten per cent of the active membership shall constitute a quorum for the transaction of business at any annual or called meeting of the Association.

VIII. — Amendments

This Constitution may be amended at any annual meeting by a two-thirds vote of the members present, notice of the proposed change having been given in the call for the meeting.

BY-LAWS

I. Election of Officers. — The committee on nominations for each year shall consist of the three ex-presidents, who are ex-officio members of the Executive Board, and two members appointed by the Association at an early session of the annual meeting. If, however, any of these three ex-presidents are not present at the annual meeting of the Association, the place of any absent, shall be filled by nominations from the floor. The chairman shall be the ex-president whose term is nearest expiration. It shall be the duty of this committee to prepare in time for presentation at the next general session one candidate for each office. These names, together with any nominations from the floor, shall be offered on a printed ticket, to be balloted upon at the last business session of the meeting. The committee shall obtain the consent of the nominees for President, Secretary, and Treasurer before nomination. A majority vote shall constitute election.

II. Annual dues shall be payable the first day of January. Delinquent members shall be notified of their delinquency. Members in arrears for more than two years will be dropped from the membership roll.

III. Meetings and headquarters. The annual meeting of the Association and meetings of the Executive Board shall be held in Columbus unless otherwise decided by the Executive Board. Headquarters of the Association shall be at the office of the Library Organizer until otherwise ordered.

IV. All bills shall be signed by the President and Secretary before payment.

V. The State Library Organizer is requested to read her annual report before the Association.

VI. Sections. Sections of special library workers which maintain a formal organization from year to year and have their own program at the annual meeting of the Association are the Trustees Section

and the College Library Section. The officers of such sections are Chairman and Secretary and are chosen by ballot at each annual meeting of the section. These officers plan the program of the section and are responsible for its success.

VII. Publications. The Handbook shall be printed and distributed before each annual meeting, containing the names of members, constitution and by-laws and any other matter decided upon by the Executive Board.

The annual proceedings of the Association shall be edited by the Secretary and offered for the Bulletin of the Ohio State Library (or official organ of the State Board of Library Commissioners) and a condensed report shall be sent to Public Libraries and Library Journal.

Other publications may be issued from time to time as arranged by the Executive Board.

VIII. There shall be the following standing committees which shall report at the annual meeting:

Legislative	Library Extension
Publicity	Inter-Relation of Libraries
Library and School	Women's Clubs
Library Training	Program
Membership	Necrology and Changes

These are appointed by the President before the Executive Board meeting in December and approved at that meeting.

IX. Any by-law may be suspended or new by-law adopted by a majority vote of the members present at an annual meeting.

Executive Board

CONSTITUTION

I. — Name

This organization shall be known as the Ohio Library Association.

II. — Object

Its object shall be to encourage the establishment and maintenance and to increase the usefulness of libraries in the state, to promote fraternal relations among library workers, and to advance the interests of the library profession.

III. — Membership

(a) **Active Membership.**— Any person who is or has been officially connected with any library of the state may, upon payment of an annual fee of fifty cents, be entitled to active membership in the Association, with right to vote.

(b) **Life Membership.**— Any active membership may be made a life membership, exempt from annual dues, on payment of ten dollars.

(c) **Associate Membership.**— Any person actively interested in educational or social work, or in library work outside the state, may become an associate member by paying an annual fee of fifty cents, but shall not be entitled to vote.

(d) **Library and Club Membership.**— Any library, club or other educational association in the state may become a member by payment of fifty cents, and be entitled to send a delegate with full powers of active membership.

(e) **Sustaining Membership.**— Any member of the Association may, upon payment of one dollar per annum in addition to the regular fee, become a sustaining member.

IV. — Officers

The officers shall consist of a President, three Vice Presidents, a Secretary, and a Treasurer, to be elected by ballot at the annual meeting. The duties of these officers shall be such as usually devolve upon them in similar organizations.

V. — Executive Board

The officers of the Association, together with those members of the Association who have, during the three preceding years, held the office of President, shall constitute the Executive Board. It shall be the duty of the Board to prepare questions for discussion at the annual meeting; to consider and mature plans for the general work of the same, and to transact all business of the Association in the interval between its meetings.

VI. — Meetings

There shall be an annual meeting of the Association at such place and time as shall have been decided upon by the Executive Board. Special meetings may be called by the President at the request of ten members, providing one month's previous notice be duly given to the Association, and only business mentioned in the call be transacted.

VII. — Quorum

Ten per cent of the active membership shall constitute a quorum for the transaction of business at any annual or called meeting of the Association.

VIII. — Amendments

This Constitution may be amended at any annual meeting by a two-thirds vote of the members present, notice of the proposed change having been given in the call for the meeting.

BY-LAWS

I. Election of Officers. — The committee on nominations for each year shall consist of the three ex-presidents, who are ex-officio members of the Executive Board, and two members appointed by the Association at an early session of the annual meeting. If, however, any of these three ex-presidents are not present at the annual meeting of the Association, the place of any absent, shall be filled by nominations from the floor. The chairman shall be the ex-president whose term is nearest expiration. It shall be the duty of this committee to prepare in time for presentation at the next general session one candidate for each office. These names, together with any nominations from the floor, shall be offered on a printed ticket, to be balloted upon at the last business session of the meeting. The committee shall obtain the consent of the nominees for President, Secretary, and Treasurer before nomination. A majority vote shall constitute election.

II. Annual dues shall be payable the first day of January. Delinquent members shall be notified of their delinquency. Members in arrears for more than two years will be dropped from the membership roll.

III. Meetings and headquarters. The annual meeting of the Association and meetings of the Executive Board shall be held in Columbus unless otherwise decided by the Executive Board. Headquarters of the Association shall be at the office of the Library Organizer until otherwise ordered.

IV. All bills shall be signed by the President and Secretary before payment.

V. The State Library Organizer is requested to read her annual report before the Association.

VI. Sections. Sections of special library workers which maintain a formal organization from year to year and have their own program at the annual meeting of the Association are the Trustees Section

and the College Library Section. The officers of such sections are Chairman and Secretary and are chosen by ballot at each annual meeting of the section. These officers plan the program of the section and are responsible for its success.

VII. Publications. The Handbook shall be printed and distributed before each annual meeting, containing the names of members, constitution and by-laws and any other matter decided upon by the Executive Board.

The annual proceedings of the Association shall be edited by the Secretary and offered for the Bulletin of the Ohio State Library (or official organ of the State Board of Library Commissioners) and a condensed report shall be sent to Public Libraries and Library Journal.

Other publications may be issued from time to time as arranged by the Executive Board.

VIII. There shall be the following standing committees which shall report at the annual meeting:

Legislative	Library Extension
Publicity	Inter-Relation of Libraries
Library and School	Women's Clubs
Library Training	Program
Membership	Necrology and Changes

These are appointed by the President before the Executive Board meeting in December and approved at that meeting.

IX. Any by-law may be suspended or new by-law adopted by a majority vote of the members present at an annual meeting.

CONSTITUTION .

I. — Name

This organization shall be known as the Ohio Library Association.

II. — Object

Its object shall be to encourage the establishment and maintenance and to increase the usefulness of libraries in the state, to promote fraternal relations among library workers, and to advance the interests of the library profession.

III. — Membership

(a) **Active Membership.** — Any person who is or has been officially connected with any library of the state may, upon payment of an annual fee of fifty cents, be entitled to active membership in the Association, with right to vote.

(b) **Life Membership.** — Any active membership may be made a life membership, exempt from annual dues, on payment of ten dollars.

(c) **Associate Membership.** — Any person actively interested in educational or social work, or in library work outside the state, may become an associate member by paying an annual fee of fifty cents, but shall not be entitled to vote.

(d) **Library and Club Membership.** — Any library, club or other educational association in the state may become a member by payment of fifty cents, and be entitled to send a delegate with full powers of active membership.

(e) **Sustaining Membership.** — Any member of the Association may, upon payment of one dollar per annum in addition to the regular fee, become a sustaining member.

IV. — Officers

The officers shall consist of a President, three Vice-Presidents, a Secretary, and a Treasurer, to be elected by ballot at the annual meeting. The duties of these officers shall be such as usually devolve upon them in similar organizations.

V. — Executive Board

The officers of the Association, together with those members of the Association who have, during the three preceding years, held the office of President, shall constitute the Executive Board. It shall be the duty of the Board to prepare questions for discussion at the annual meeting; to consider and mature plans for the general work of the same, and to transact all business of the Association in the interval between its meetings.

VI. — Meetings

There shall be an annual meeting of the Association at such place and time as shall have been decided upon by the Executive Board. Special meetings may be called by the President at the request of ten members, providing one month's previous notice be duly given to the Association, and only business mentioned in the call be transacted.

VII. — Quorum

Ten per cent of the active membership shall constitute a quorum for the transaction of business at any annual or called meeting of the Association.

VIII. — Amendments

This Constitution may be amended at any annual meeting by a two-thirds vote of the members present, notice of the proposed change having been given in the call for the meeting.

BY-LAWS

I. Election of Officers. — The committee on nominations for each year shall consist of the three ex-presidents, who are ex-officio members of the Executive Board, and two members appointed by the Association at an early session of the annual meeting. If, however, any of these three ex-presidents are not present at the annual meeting of the Association, the place of any absent, shall be filled by nominations from the floor. The chairman shall be the ex-president whose term is nearest expiration. It shall be the duty of this committee to prepare in time for presentation at the next general session one candidate for each office. These names, together with any nominations from the floor, shall be offered on a printed ticket, to be balloted upon at the last business session of the meeting. The committee shall obtain the consent of the nominees for President, Secretary, and Treasurer before nomination. A majority vote shall constitute election.

II. Annual dues shall be payable the first day of January. Delinquent members shall be notified of their delinquency. Members in arrears for more than two years will be dropped from the membership roll.

III. Meetings and headquarters. The annual meeting of the Association and meetings of the Executive Board shall be held in Columbus unless otherwise decided by the Executive Board. Headquarters of the Association shall be at the office of the Library Organizer until otherwise ordered.

IV. All bills shall be signed by the President and Secretary before Payment.

V. The State Library Organizer is requested to read her annual report before the Association.

VI. Sections. Sections of special library workers which maintain a formal organization from year to year and have their own program at the annual meeting of the Association are the Trustees Section and the College Library Section. The officers of such sections are Chairman and Secretary and are chosen by ballot at each annual meeting of the section. These officers plan the program of the section and are responsible for its success.

VII. Publications. The Handbook shall be printed and distributed before each annual meeting, containing the names of members, constitution and by-laws and any other matter decided upon by the Executive Board.

The annual proceedings of the Association shall be edited by the Secretary and offered for the Bulletin of the Ohio State Library (or official organ of the State Board of Library Commissioners) and a condensed report shall be sent to Public Libraries and Library Journal.

Other publications may be issued from time to time as arranged by the Executive Board.

VIII. There shall be the following standing committees which shall report at the annual meeting:

Legislative	Library Extension
Publicity	Inter-Relation of Libraries
Library and School	Women's Clubs

CONSTITUTION

I. — Name

This organization shall be known as the Ohio Library Association.

II. — Object

Its object shall be to encourage the establishment and maintenance and to increase the usefulness of libraries in the state, to promote fraternal relations among library workers, and to advance the interests of the library profession.

III. — Membership

(a) **Active Membership.** — Any person who is or has been officially connected with any library of the state may, upon payment of an annual fee of fifty cents, be entitled to active membership in the Association, with right to vote.

(b) **Life Membership.** — Any active membership may be made a life membership, exempt from annual dues, on payment of ten dollars.

(c) **Associate Membership.** — Any person actively interested in educational or social work, or in library work outside the state, may become an associate member by paying an annual fee of fifty cents, but shall not be entitled to vote.

(d) **Library and Club Membership.** — Any library, club or other educational association in the state may become a member by payment of fifty cents, and be entitled to send a delegate with full powers of active membership.

(e) **Sustaining Membership.** — Any member of the Association may, upon payment of one dollar per annum in addition to the regular fee, become a sustaining member.

IV. — Officers

The officers shall consist of a President, three Vice-Presidents, a Secretary, and a Treasurer, to be elected by ballot at the annual meeting. The duties of these officers shall be such as usually devolve upon them in similar organizations.

V. — Executive Board

The officers of the Association, together with those members of the Association who have, during the three preceding years, held the office of President, shall constitute the Executive Board. It shall be the duty of the Board to prepare questions for discussion at the annual meeting; to consider and mature plans for the general work of the same, and to transact all business of the Association in the interval between its meetings.

VI. — Meetings

There shall be an annual meeting of the Association at such place and time as shall have been decided upon by the Executive Board. Special meetings may be called by the President at the request of ten members, providing one month's previous notice be duly given to the Association, and only business mentioned in the call be transacted.

VII. — Quorum

Ten per cent of the active membership shall constitute a quorum for the transaction of business at any annual or called meeting of the Association.

VIII. — Amendments

This Constitution may be amended at any annual meeting by a two-thirds vote of the members present, notice of the proposed change *having been given in the call for the meeting.*

BY-LAWS

I. Election of Officers. — The committee on nominations for each year shall consist of the three ex-presidents, who are ex-officio members of the Executive Board, and two members appointed by the Association at an early session of the annual meeting. If, however, any of these three ex-presidents are not present at the annual meeting of the Association, the place of any absent, shall be filled by nominations from the floor. The chairman shall be the ex-president whose term is nearest expiration. It shall be the duty of this committee to prepare in time for presentation at the next general session one candidate for each office. These names, together with any nominations from the floor, shall be offered on a printed ticket, to be balloted upon at the last business session of the meeting. The committee shall obtain the consent of the nominees for President, Secretary, and Treasurer before nomination. A majority vote shall constitute election.

II. Annual dues shall be payable the first day of January. Delinquent members shall be notified of their delinquency. Members in arrears for more than two years will be dropped from the membership roll.

III. Meetings and headquarters. The annual meeting of the Association and meetings of the Executive Board shall be held in Columbus unless otherwise decided by the Executive Board. Headquarters of the Association shall be at the office of the Library Organizer until otherwise ordered.

IV. All bills shall be signed by the President and Secretary before payment.

V. The State Library Organizer is requested to read her annual report before the Association.

VI. Sections. Sections of special library workers which maintain a formal organization from year to year and have their own program at the annual meeting of the Association are the Trustees Section and the College Library Section. The officers of such sections are Chairman and Secretary and are chosen by ballot at each annual meeting of the section. These officers plan the program of the section and are responsible for its success.

VII. Publications. The Handbook shall be printed and distributed before each annual meeting, containing the names of members, constitution and by-laws and any other matter decided upon by the Executive Board.

The annual proceedings of the Association shall be edited by the Secretary and offered for the Bulletin of the Ohio State Library (or official organ of the State Board of Library Commissioners) and a condensed report shall be sent to Public Libraries and Library Journal.

Other publications may be issued from time to time as arranged by the Executive Board.

VIII. There shall be the following standing committees which shall report at the annual meeting:

Legislative	Library Extension
Publicity	Inter-Relation of Libraries
Library and School	Women's Clubs
Library Training	Program
Membership	Necrology and Changes
Art League	Standardization

These are appointed by the President before the Executive Board meeting in December and approved at that meeting.

IX. Any by-law may be suspended or new by-law adopted by a majority vote of the members present at an annual meeting.
